

## **SAFETY OFFICER INSTRUCTIONS**

11-49

### **Responsibilities:**

You are responsible for the safety of all participants. At no point in time should anyone go hands on, other than cooperative handcuffing, during any scenario. If you see anything that you deem as unsafe to anyone, say STOP or END SCENARIO. Fix the issue and continue with the scenario. If the issue needs further attention, radio to the primary proctor for assistance. If there is an emergency, call 911.

You will also act as dispatch.

Deputies should activate their cameras prior to the stop and at the end of the stop. If needed remind them to enter their metadata.

There will be no critiquing after the scenario unless you deem necessary.
